

Annetta Tantanis
Winner - Young Achiever Award 2011
Port Douglas Magazines Awards
By Julie Bell

Where do I start? Annetta has been managing Tshintas for the past five years and has done the most amazing job. I congratulate her on receiving the Young Achiever's Award; she deserves every bit of it. Annetta isn't just a manager. She puts her heart and soul into the shop as though it were her own. I have grown very fond of her and relish what she does for me.

A few of her contributions are;

- Choosing the staff to back up our team, training them in a high level of customer service and selling and how to fit swimwear, which isn't an easy task. Her rapport with the staff is excellent,
- She is the creator of Tshintas's intriguing window displays that draw compliments all year long and organizes the promotions and marketing ideas,
- Provides welcome assistance with the buying and budgeting and makes sure I don't make the wrong fashion decisions!
- Keeps www.tshintas.com alive and active, a continuous job and an amazing website. Annetta even photographs all the body shots for the website, every colour in every style, and that's a lot!!
- Keeps us in the forefront with Facebook.

Annetta is tenacious, positive, cheerful and personable; she's my P.A., my right-hand assistant and my friend.

And she can sell swimwear to people she hasn't even seen over the internet. Now there's a challenge!
